

Media Credential Guidelines

- No commercial photo
- Seating is in the Grandstand Bleachers but can access all events that are not private (for coverage only, not social match viewing)
- No trespassing the safety line during game
- No trespassing the red boards for opening ceremony
- No passing of the trophy ceremony table. Photographer's area is between boards and table.
- Photography and event participation is at your own risk.
- No photographer is allowed on the end zones (body and head protection are a must for these areas).
- Media access to players' areas must be pre-approved by teams and notified to club. Or vice-versa.
- Only official club photographer/videographer may not abide by safety area rules.
- All media has access to the After Polo for coverage. Players are invited to asado. There's food and drinks available for purchase. On occasions the club may invite additional people. No outside food or drinks are allowed during this time.
- Non-public matches coverage must be requested in advance. Coverage of these matches is restricted to the games and teams (with their specific permission). Photos or videos of teams and/or people without their specific consent is not allowed. Non-public matches are not by invitation, nor private matches. They are tournament matches were public is not permitted due to town and neighborhood regulations. Social photography/video is not allowed.
- Club has no social members or exclusive matches. All matches and teams are part of a tournament.
